

Webinar on Plasma Physics

7th October 2021

Objectives

The idea of holding this scientific activity is to provide an opportunity to our local students to know the latest trends in this field of research and to know each other's work. This will open the possibility of collaboration/interaction among different research groups across the province. Evidently, such activities play an important role in the development of science in general and of physics in particular in the country.

Participation

There is no registration fee. However, only registered participants will be allowed to attend the activity.

Patron in Chief

- Prof. Dr. Gul Zaman

Organizing Committee

- Prof Anisa Qamar (UOP)
- Dr Arif Ullah (UOM)
